

All Season Floor Mats - 3rd row
\$62.51

These thick, heavy-duty All-Season floor mats feature deep contours to capture soil, debris and water, helping to protect your vehicle's carpeting. They feature a rubber nib backing and a driver's side retention hook to help keep the mat in place. These custom mats are a valuable edition to any vehicle.

All Season Floor Mats - 3PC Set
\$137.52

These thick, heavy-duty All-Season floor mats feature deep contours to capture soil, debris and water, helping to protect your vehicle's carpeting. They feature a rubber nib backing and a driver's side retention hook to help keep the mat in place. These custom mats are a valuable edition to any vehicle.

Cargo Net - vertical
\$62.50

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Block Heater
\$390.00

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Bodyside Moulding
\$285.00

Protect your vehicle from dings and bumps. Constructed from durable rubber, the moulding offers long-lasting protection from any type of incidental contact. Mouldings are custom styled to accent a vehicle's exterior.

Cross Bars
\$325.01

These Highlander/HV roof rack cross bars are engineered specifically to integrate with the Highlander's factory roof rails, enhancing the vehicle's utility and cargo management versatility. This set of two fully adjustable cross bars provide additional secure tie-down points for all types of roof rack accessories and can support a maximum of 45kg when evenly distributed across both bars.

Hitch - 2" Receiver

\$699.00

The towing hitch platform is custom designed to accommodate the height of the vehicle with conventional towing. Don't settle for third party generic parts that are not custom fit for the vehicle. Please refer to your vehicle's Owner's Manual for the rated towing capacity.

Hitch Ball 2"

\$24.59

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

Hitch Platform

\$82.49

The towing hitch platform is custom designed to accommodate the height of the vehicle with conventional towing. Don't settle for third party generic parts that are not custom fit for the vehicle.

Hitch: Towing Hitch Wire Harness

\$260.00

Hood Deflector

\$204.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Side Step Bar

\$745.00

Designed specifically around the Highlander's unique styling cues, Highlander side step bars are as attractive as they are functional. Available in a brushed aluminium finish, these side steps are custom fitted and designed for your vehicle. Plus, they provide easy step-in access to the vehicle and feature integrated, skid resistant step pads for secure footing at all times.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.

Side Window Visor, Adhesive

\$190.00

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.
