

**Block Heater**

\$465.00

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

**Hood Deflector**

\$170.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection.

**Remote Engine Starter**

\$620.00

The convenient REMOTE STARTER allows you to remotely start your vehicle up to 80 feet. This is a great help to cool or warm your vehicle before entry during hot summers or frigid winters.
