

Cargo Liner

\$137.51

Protection for a long-lasting cargo area. This durable, long-lasting custom designed vinyl liner features a raised lip to contain spills for simple cleanup. Textured finish minimizes load shifting and the cargo area carpeting gets extra protection for wear and tear. The easy-to-install liner is equally simple to remove for cleaning. It's the ideal place for storing wet and dirty cargo. Consider it the ultimate way to protect the vehicle interior from scratches and spills.

Cargo Net

\$57.48

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Block Heater

\$240.00

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Hood Deflector

\$217.99

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).
