

Air Conditioning

\$1,740.00

Staying cool during hot, humid days, this AC unit, specially designed for each Toyota model, rapidly cools a vehicle's interior during warm weather days. Interior climate control can be tailored to personalized tastes. Multiple vent operation and variable temperature adjustment allow total control of airflow distribution and temperature. A special defogging and dehumidifying system quickly clears windows to improve a driver's visibility.

All-Season Mats with clips

\$97.50

Get a grip on dirt. With a deep rib molded design, these durable rubber/vinyl mats offer an excellent way to trap mud, snow, sand and dirt. Available for front and rear seating areas, each custom-fit mat is embossed with a Toyota logo. A non-skid backing and positive retention clip keeps them in place. These easy-to-clean mats never show wear and protect Factory Floor Carpet.

Cargo Net

\$65.00

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

TRD Carbon Fibre Shift Knob - 5 spd. Manual

\$90.00

This TRD shift knob is made from real carbon fibre with a high gloss finish. It has been deliberately weighted to improve shift feel and throw. The looks are finished off with a fiery red TRD logo on the side, and shift-gate outline on top.

TRD Quickshifter

\$305.00

The TRD quick-shifter delivers shifting that's faster and more positive, courtesy of repositioned pivot points that provide up to a 30-percent shorter shift throw and a sportier, more responsive feel. The high-quality construction features an impressively high strength-to-weight ratio, making it the perfect accessory for high-performance driving.

TRD Shift Knob - 5 spd. Manual

Block Heater Manual

\$244.02

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Hood Deflector

\$131.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).

Rear Bumper Protector

\$66.50

Keep your bumper looking brand new. The Protector, made from formed PVC, is easy to use and is custom-fitted to the rear bumper of most Toyota's. Not only does it resist damage from scratches and scrapes but also its non-skid surface offers extra traction for easy loading or unloading.

Rear Lip Spoiler

\$349.99

Add a sporty look to your Yaris with this color keyed spoiler! Engineered specifically by Toyota for a quick install, this stylish spoiler gives your vehicle a bolder and cooler feel.

Splash Guards - Front

\$54.00

Don't let the tires kick up a mess. Mudguards can protect a vehicle's finish from road debris. Custom-designed for each Toyota model, they retain their shape for lasting good looks. The durable and resilient model rubber construction is contoured to provide a clean, integrated look.
